Potential Vendors

Re: Security Guard Contract - Alabama Army National Guard

Ladies and Gentlemen:

The Armory Commission of Alabama wishes to solicit proposals from prospective vendors to provide Security Guard Services at several of our Army National Guard Facilities. The vendor must meet certain qualifications to submit a proposal and be considered for this contract:

- Vendor must be in the State of Alabama and have some experience in performing security operations on Department of Defense (DOD), Military, and/or National Guard (NG) facilities/installations;
- Vendor will provide state certified/trained and qualified on-duty armed security guards from the first day of performance through completion of this contract;
- Vendor will provide all equipment not otherwise furnished by the Government (as stated in the Contract documents) necessary to safely perform all task requirements.

The following link provides detailed Performance Work Statement (PWS) information and the Request For Proposal (RFP) form:

http://www.al.ngb.army.mil/Security%20Guard/securityguard.htm

The RFP form **must** be printed out, fully executed by qualified vendor, and received in this office by the stated deadline. If you are interested and meet the qualifications for submitting a proposal, please follow the directions and submit the RFP and ALL other required documents as specified. Any documents failing to arrive properly by the designated time may be rejected.

You must check back on this website periodically to view any addenda as well. Addenda will NOT necessarily be mailed to individuals but ANY and ALL addends will be posted on this website. It is incumbent on all applicants to view this website periodically, especially prior to submission of all required documents to ensure latest info is provided.

Thank you for your interest in this matter. Should you have any questions or need additional information, please contact **Major Richie Tindell** at (334) 213-7742 or by email richie.tindell@us.army.mil .

Respectfully,

MARK A. WEEKS
