**SIPR:** Secret Internet Protocol Network

**NIPR:** Non-Classified Protocol Network

#### **ACERT**

Army Computer Emergency Response Team

#### **ACL**

Access control list

#### **ADP (replaced by IT)**

Automated data processing

#### **AKO**

Army Knowledge Online

#### **AR**

Army Regulation

**ATO**

Approval to operate

**AUP**

Acceptable Use Policy

**AV**

Anti Virus

**C4IM**

Command, Control, Communications, and Computers for Information Management

**CA**

Certification Authority

**C&A**

Certification and accreditation

**CAC**

Common access card

**CERT**

Computer emergency response team

**CIO/G-6**

Chief Information Officer, G-6

**CISO**

Chief information security officer

**CISS**

Center for Information Systems Security

**CISSP**

Center for Information Systems Security Professional

**CND**

Computer network defense

**CNDC**

Computer Network Defense Course

**CNDSP**

Computer Network Defense Service Provider

**CNO**

Computer network operations

**COMSEC**

Communications security

**CONUS**

Continental United States

**COR**

Contracting officer's representative

**COS**

Chief of Staff

**COTS**

Commercial off-the-shelf

**COOP**

Continuity of Operations Plan

**DAA**

Designated approving authority

**DIACAP**

Department of Defense Information Assurance Certification and Accreditation Process

**DMZ**

Demilitarized zone

**DNS**

Domain Name Service

**DOD**

Department of Defense

**DODD**

Department of Defense Directive

**DOIM**

Director of Information Management

**EKMS**

Electronic Key Management System

**FISMA**

Federal Information Security Management Act

**FOIA**

Freedom of Information Act

**FY**

Fiscal year

**GOTS**

Government-off-the-shelf

**HQDA**

Headquarters, Department of the Army

**IA**

Information Assurance

**IAM**

Information Assurance Manager

**IANM**

Information Assurance Network Manager

**IANO**

Information Assurance Network Officer

**IASO**

Information Assurance Security Officer

**IATC**

Interim authority to connect

**IATO**

Interim approval to operate

**IATT**

Interim Authorization to Test (C&A)

**IAVA**

Information Assurance Vulnerability Alert

**IAVB**

Information Assurance Vulnerability Bulletin

**IDS**

Intrusion Detection System

**INFOCON**

Information operations condition

**INFOSEC**

Information security

**IO**

Information operations

**IP**

Internet Protocol

**IS**

Information system

**ISS**

Information Systems Security (replaced by Information Assurance)

**IT**

Information technology

**ITS****LAN**

Local area network

**LOC**

Level of confidentiality

**MWR**

Morale, welfare, and recreation

**NA**

Network administrator

**NETCOM**

Network Enterprise Technology Command

**NETOPS**

Network operations

**NGB**

National Guard Bureau

**OPCON**

Operational control

**OPM**

Office of Personnel Management

**PIN**

Personal identification number

**PM**

Program manager or project manager or product manager

**ROM**

Read only memory

**SA**

Systems Administrator

**SOP**

Standard operating procedure

**TDY**

Temporary duty

**TNOSC**

Theater Network Operations and Security Center

**TS**

Top Secret

**TS/SCI**

Top Secret/Sensitive Compartmented Information

**TTP**

Tactics, techniques, and procedures

**URL**

Universal resource locator

**VPN**

Virtual private network

**WLAN**

Wireless local area network

**WWW**

World Wide Web
